The Texas Desalination Association is pleased to invite submissions for the
7th Annual Conference Texas Desal 2019

TOPICS FOR CONSIDERATION:

1. Innovations in Desalination
2. State agency updates
3. Advances in energy efficiency
4. Desalination for the oil and gas industry
5. Regulatory and permitting challenges and considerations
6. Economics of water supply
7. Desalination drivers
8. Value of water
9. Project and system costs
10. Procurement strategies

Submittal & Contact Information:

- ◇ Student contact information
- ◇ Contact person, if other than student
- ◇ Student bio
- ◇ Topic Category, from list above
- ◇ Title of Presentation
- ◇ Disclosure if subject matter previously presented or published (when and where)

Submit Now

Abstract of Student Posters:

Abstracts should be single-spaced, approximately 300-500 words in length and provide an overview of the poster presentation and its relevance to the conference theme and topic category.

Student Poster Presenters will receive a complimentary registration. Travel expenses are the responsibility of the student presenter.

Non-Students see Call for Abstracts - Presenters

Hotel Reservations: Special rate of \$149 for attendees at the Sonesta Bee Cave Austin, is available until August 13, 2019, or sold out. Book online through the link at www.TexasDesal.com, or call the Sonesta Bee Cave at (512) 483-5900, and ask for the “#0903TEXDES” rate.
